Brain Injury
Stroke
Neurological Conditions

Our team of Allied Health Professionals include:

- Physiotherapists
- Occupational Therapists
- Speech Pathologists
- Exercise Physiologists
- Psychologists
- Social Workers

All ONE Rehabilitation Service therapists are qualified professionals with extensive experience working with people with acquired brain injuries and other neurological conditions.

Our Service

ONE Rehabilitation Service works with clients that have a compensation claim, are participants of the National Disability Insurance Scheme (NDIS), participants of the Lifetime Support Authority (LSA), Return to Work SA, have private health cover, or are self-referring and funding their rehabilitation. Our team of allied health professionals work collaboratively to tailor a rehabilitation plan for you, designed around your goals and treatment needs.

**"We can help
you get back
to doing the
things you
love"**

Our team is comprised of experienced Allied Health professionals who work together using evidence based approaches to help our clients achieve their goals.
